

The image displays four identical ice hockey rink diagrams, arranged vertically. Each rink is enclosed in a rounded rectangular border and is divided into three vertical zones by two vertical blue lines. The left zone contains two red semi-circles (goals) on the left side and two circles with two red dots (pucks) in the center. The middle zone contains one circle with two red dots in the center and two small blue logos. The right zone contains two circles with two red dots in the center and one red semi-circle (goal) on the right side.
